

Pickup Ion measurements with SWICS (Ulysses)

SWICS: Solar Wind Ion Composition Spectrometer

– a Time-of-flight mass spectrometer

Gloeckler, Geiss et al., 1992

Ulysses' 1st orbit

- $\left\{ \frac{E}{q}, ToF, E_{SSD} \right\} \Rightarrow \left\{ \frac{M}{q}, M, |v| \right\}$
- identification & energy of the ion

Velocity Distributions: 1D vs. 3D

Gloeckler, Geiss et al., 1992

- Sectorization of the SWICS sensor
- Rotation of SWICS
- Ulysses' orientation
